

Steps to Change Password for ISC Online Services

1. Access the Land Registry Login page by clicking 'Login' then 'Land Registry'.

2. Click 'Sign-In'.

Steps to Change Password for ISC Online Services

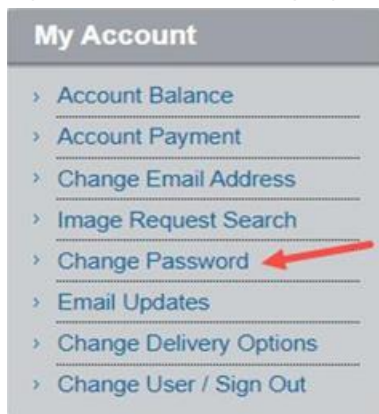

3. Sign in to ISC Online Services using your existing ISC sign in credentials

The image shows the ISC Sign-In form. It includes fields for User Name, Password, Client Number, Account Number, Account Password, and Client Reference. Each field is marked as required. There is a checkbox for 'Remember User Name, Client Number And Account Number.' and a note stating 'NOTE: User names and Passwords may not include spaces.' Below the fields is a link to the 'ISC Online Services Terms of Use.' and a 'Sign-in' button.

4. Select **My Account** in the top left corner of the page.

5. My Account details display. Select **Change Password**.

Steps to Change Password for ISC Online Services

***Important Note:** This option only allows you to change your User Name password.

6. **Change Password Information** window displays. Enter your **Old (current) Password**, **New Password** and **Confirm New Password**, then select **Next**.

The screenshot shows a web form titled "Change Password Information". It contains the following text: "Please complete the fields below to change your Password." followed by a bold "Password:" label. Below this is a paragraph of password requirements: "Passwords are case-sensitive, must be 8 to 16 characters, contain at least 1 uppercase letter, 1 lowercase letter, 1 number and one of these characters !@\$*". There are three input fields: "Old Password:", "New Password:", and "Confirm New Password:", each followed by a red asterisk and the word "Required". A red arrow points from the "Confirm New Password" field to a dark grey "Next" button.

7. **Change Password Confirmation** window displays.

The screenshot shows a confirmation window titled "Change Password Confirmation". It contains the text "Your Password has been changed." and a blue button labeled "ISC Home".

8. Proceed to **ISC Home**.

This screenshot is identical to the previous one, showing the "Change Password Confirmation" window with the "ISC Home" button. A red arrow points from the text "Your Password has been changed." to the "ISC Home" button.
