Set up title using  
the client # found  
on the title to the  
corresponding  
source parcel.

If no parcel ties  
apply, use any  
client # for that  
individual to set  
up title.

Use client # on title of source  
parcel if same as the COBRA-  
related client #. Otherwise:

- a) Branch client # on title  
of source parcel to  
COBRA- related client  
#; or
- b) Use COBRA- related  
client # after you  
amalgamate client # on  
source title with  
COBRA- related client #.

Use COBRA-  
related client # to  
set up title to the  
new parcel.

Use client # on title to source  
parcel, but ensure that client #  
has been branched to  
100656592, the COBRA- related  
client # for SK.

If not, branch client # on title to  
source parcel to # 100656592.

Use the client #  
identified above.
